## The Autumn Fair

We honestly don't know where to start with our **THANK YOUs!** **Thank you** to Annabel and Jess who worked so hard to make this event happen. **Thank you** to Mr Wilkins for all of the hard work he did petitioning local businesses to get great prizes for his LEGO raffle, as well as his invaluable work setting up, supporting everyone during the fair and in clearing up the school after sending everybody home and making sure (with his sons' help) that the school was ready for Monday morning when the children came in. **Thank you** to all of the parents who gave up their time to run stalls - and the children too who gave up their Saturday afternoon to run stalls and paint faces. Without your help it would not have been the event it was. **Thank you** to everyone who donated something to the fair to be sold, to be given as a prize. **THANK YOU** to everyone who came and supported the event - who spent their money, brought their children, told others about the event, who spread the word. **THANK YOU**. And thank you to the staff (Mrs Appleby, Mr Hanna and Mr Neaves in particular) who supported the event on the day. We really are a team and we cannot do these events without everyone's time and effort. We are delighted to inform you that we raised an amazing £2,270 on Saturday! This will prove invaluable over the coming months, and we will let you know how this money is spent in the benefit of your children.

But that's not all! We have many more **thank yous** to send out. On Friday last week we had our own Bake Off competition, and the cakes sent in looked amazing (and we are told they tasted awesome too!). **Thank you** to Sheree Cartmell for driving this event, and she has asked us to pass our **thanks** on to all the generous sponsors who donated amazing prizes for our bakers:

Muchos Nachos and The Fat Fig kindly donated vouchers;  
Game, Set and Match donated a Netball and Soccer ball;  
Hannah Radice gifted TempleSpa Tapas with consultation;  
Britt Redman baked gorgeous homemade buttermilk rusks;  
Sheree Cartmell Health and Skincare gifted facials.

## This week

Well, it has been yet another super busy week! Not only did we have the fair at the weekend, but Tuesday morning saw us taking all of Keystages 1 and 2 down to Cineworld to watch "Sing 2". This was part of "Into Film's" autumn film festival and we were able to do it at no cost to the school or parents. A huge thank you needs to go out to them - and to the staff who walked the children safely across Chichester and back again in time for lunch! And thank you to Mr Neaves who arranged for the trip to happen. On Thursday, both Years 5 and 6 were collected from school by coach and taken to Swanfield Chapel for some "interactive" RE sessions, where they learned about different aspects of the life of Christ through using iPads and QR codes.

## Important Dates Coming Up
