## Coronation

The Coronation of His Majesty King Charles III will take place on Saturday 6th May 2023 at Westminster Abbey in London. The ceremony will see His Majesty The King crowned alongside Her Majesty The Queen Consort.

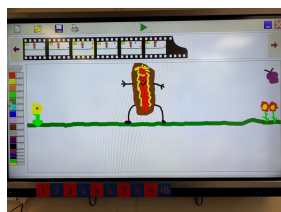

The coronation of the new Sovereign is an occasion for pageantry and celebration, but it is also a solemn religious ceremony that has remained essentially the same over a thousand years.

To celebrate this historic event, JYS are going to be putting on several activities in school on Friday 5th May. These include:

- A large art piece with a contribution from every child that celebrates the Royal family (this will be on display at the end of the day on the playground - weather dependant);
- Each child will be given the chance to decorate a cake in red, white and blue;
- Tea (squash) and cakes on the school field;
- Over the course of the week, each child will produce a picture of our new King which will be submitted to the BBC Children in Need's "Royally Big Portrait"!
- JYS Friends will be holding a cake sale in aid of My Sisters House at the end of the school day.

## This week

Year 1 have had a very busy week again this week. Towards the start of the week they began their work in Computing where they are learning to make animations on the computers. They challenged Mr Neaves to make an animation based around a HotDog Man! You can see from the picture how he did.

They were also visited by Florence Nightingale this week, to talk about her part in making positive changes to the well being of soldiers during the Crimea War. The children had lots of questions for her, and were able to examine images from then and hospitals now to identify key differences.
