School Communication

We are currently in the process of terminating our contract with ParentMail. You may have noticed that recent correspondence have been coming from Bromcom which appears as 'SCHOOL' in your email inbox. We will only be communicating via Bromcom. Bromcom use the 'MyChildAtSchool' app, which most of you are now familiar with and have used this in order to sign up for your child's Parent Consultation in February.

Within the app there is a 'message' tab where you will be able to view communications from school. Moving forward, payments, consent form, clubs etc. will all be accessible via the 'MyChildAtSchool' app. If you have already made a payment or part payment for a future trip, please do not worry as the funds have been registered as paid and we will transfer this information to our new system. We will be writing to those parents that this affects in due course. If you have any queries, please do not hesitate to contact the school office.

This week

There has been lots happening across the school this week. All children were treated to an assembly from Sama Karate on Tuesday morning. This included demonstrations and background on the sport. The club runs on a Tuesday morning and children can turn up, pay for a class and join in. Please email: sama.karate@sky.com for more information.

Paul Ullson delivered a session to Year 1 on houses around the world and building materials. Children found out about what different homes look like and what people use to build them in various countries.

It has been fantastic to see children coming in dressed in something fun or red today in support of Comic Relief. Children have seen where the money goes and been thinking about how to help those less fortunate than ourselves.
