12th November 2021

## KS2 Cinema visit

We have the opportunity of taking all of KS2 to see "Onward" at the cinema on the morning of Friday 26th, at no charge to parents. This is a fantastic opportunity as the movie delivers a message of family bonds and personal growth, which will be followed up in school. If parents / carers choose for their child not to go, they are invited to contact the office and we can make alternative arrangements.

## Children in Need

Children in Need takes place on Friday 19th November. It's so easy to join in on our big feel-good Friday this year! All children are welcome to dress up, wear non-uniform or PJ's for the day. If you would like to donate to Children in Need via the school, we will collect any contributions and pay them directly to the charity.

From coast to coast, in towns and cities right across the UK, BBC Children in Need is out there making a difference. The amazing projects they support help change the lives of disadvantaged children and young people all over the country.

## Christmas Holiday club

We are excited to announce the Theatre Arts will be running two days of activities in the Christmas Holiday Break. Theatre Arts is about imagination and inspiring confidence through creativity. The sessions are designed to develop students' confidence, focus and social skills. Theatre Arts offer engaging and supportive sessions in which children learn & develop theatre and performing arts skills. The Theatre Arts Performing Arts Christmas & Fairytale Workshops will take place on Monday 20th December 2021 (9am -3pm) Tuesday 21st December 2021 (9am -3pm) for Year R - Year 6.

Please see the attached flyer for more information.

## Amazon Smile

If you are ordering anything from Amazon in the run up to Christmas, we would really appreciate it if you could use the link below to access the site. By doing this, every order generates money for the school at no cost to you!

<https://smile.amazon.co.uk/ch/292933-0>

This is such a good way for the parents to give money without having to spend any extra - and who doesn't love a little Amazon order!

## A week to Remember.

After last week's whole school learning project, things are back to normal with children across the school working hard across the curriculum.

Year groups have started their new themes and these include 'Toy Story' in Year 1, 'The Tudors' in Year 4 and 'Refugees' in Year 6. We are excited to share work from the wide range of themes on offer across the school, as the has the half term progresses.

Yesterday, the whole school took part in a Remembrance assembly which focused upon why we wear a poppy, who we need to give thanks and remember people and ways we might do this. The school took part in a two minute silence and every pupil demonstrated respect and set an example we were all very proud of.

Our internal enrichment programme restarted this week. Children from across the school took part in an exciting ICT event led by Mr Neaves. They were learning to use iPads to take photos and videos, Airdrop pictures and use iMovie to produce movie trailers to promote the school. Some of the photos the children took of the school can be seen here.
