## Message from 'JYS Friends'

Last Saturday we held the JYS circus-themed Summer Fair which raised an incredible £3007.18 for school!! After a long time in the planning it was wonderful to see everything come together on the day! It was a really fantastic afternoon in the sunshine, where the children were able to enjoy learning a range of different circus skills, listen to some circus-themed stories, get creative with a range of arty activities and lots, lots more! There were some great cake creations and it was lovely to see a snippet of what the children have been learning in their RnB dance sessions too! The raffle was extremely popular and some individuals were lucky enough to win some amazing prizes! Thank you so much to everyone who donated raffle prizes this year. As always, these events would not be able to take place without the wonderful support of the staff, parents, children and wider community. Thank you to everyone for making the day such a success!

## This week

On Tuesday the school had a very different feel with almost all of the Year 6s out at their new High Schools for the day as part of Transition Day. Meanwhile, here at JYS, all of our children got to spend the morning with their new teacher (or teachers) in the classroom that they will be moving into in September. It is a joy to report how settled the morning was and how happy the children appeared to be with the teacher they are going to be having in the next academic year.

Thursday saw us have our end of term discos. We are indebted to DJ Mr Hanna who gave up his evening (along with all of the teachers and a number of parents) to make sure that the children were entertained and could dance the afternoon away! It was good to see that the booking system worked, and we will continue to use it for future events.

Speaking of future events, please keep everything crossed for our production of Aladdin next week. Tickets are still available!
